Electronic Communication Consent Form

In order to comply with Canada's Anti-spam Legislation, Bill C-28, which came into effect on July 1, 2014, we need to obtain your permission to correspond with you and/or any family member by e-mail.

This new law requires that we have your consent to send you emails that include messages about reminders to schedule appointments, newsletters, and any other correspondence relevant to your dental care.

The offices of Dr. Croutze take your privacy very seriously and we will never share, rent, or use your email address for any other purpose than to communicate with your directly about your upcoming appointments, reminders to schedule treatment, or to share exciting news about our practice with you.

You can provide your consent by filling out the following information:

Full Name: _____

Family Members: _____
